

GETTING STARTED WITH Zoom

SIGNING UP

- 1.) Go to Zoom's [Sign Up Page](#).
- 2.) Enter your **date of birth** and the **e-mail** you want to register under.
- 3.) Check your e-mail, open the verification e-mail, and **click on the *Activate Your Account* button**.
- 4.) Next, you will be directed back to the Zoom site where you must fill out your **full name** and **create a password** for your account.
- 5.) **Skip the step to invite** your colleagues and you can now start a meeting in a web browser or visit your account to view the settings.

DOWNLOAD APP

- 1.) Go to Zoom's [Download Page](#).
- 2.) **Click** on the **Download button** and the download should start automatically.
- 3.) **Go to** your **Downloads folder** on your computer.
- 4.) **Double click** on the Zoom app **icon** and the installation will begin.

The Desktop App is now installed and you can join a meeting or sign in to start your own meeting with your personal account.
